

Future City Competition – Albany, NY 2026-2027 Howard E. Reese Alumni of the Year Scholarship Application

The Howard E. Reese Alumni of the Year Scholarship is named after a beloved member of the Future City-Albany program. Howard was actively involved with Future City since its regional beginnings in 2000, and he remained actively involved in planning the logistics of competition day for the next 20 years. Howard was an engineer himself, working as a civil engineer for the New York State Thruway Authority for nearly 38 years, retiring in 2007. We have named our scholarship for Howard to honor his longtime support of the program and his dedication to inspiring middle school children in dreaming up brighter futures.

NOTE TO APPLICANT:

The Future City Competition-Albany, NY Alumnus of the Year Scholarship is available to all graduating high school seniors and current undergraduate college students and has a total value of \$1,000.

To be eligible for the Alumnus of the Year Scholarship you must be an alumnus of the Future City Competition-Albany, NY program and plan to attend/currently enrolled in an accredited science, technology, engineering or math (STEM) program.
